Subject: Congratulations RAM, your Dazzling Service has been recognised -MailRef#3183602500 #-

A dazzling moment just for you RAM

Ram has been able to fix a burning production issue in a very quick turnaround time. He was able, in 2 days, to work out what a process was doing and what it should be doing on tables that he doesn't really know for the transfer process. For Clients whose data was returning in minutes (or not returning at all) these are now returning in seconds. Awesome Job- Thank you

Keep dazzling

NEIL LANE
